公司简介 COMPANY PROFILE

安泰珂电子有限公司创立于2004年，位于中国经济最发达之一的广东深圳市，是一家集模具开发，生产，销售为一体的专业知名电子连接器与线束制造商，工厂为一般纳税人企业，可以开具13%点增值税，工厂并拥有有自营进出口权，产品70%以上外销出口，公司拥有业界专业精干的工程技术及品保队伍，拥有台湾高速精密冲床，车床及国外进口模具加工设备，检测设备。设有端子冲压，模具设计制造，接插件组立车间，注塑成型车间，并在东莞设有生产基地，厂房总面积10000余平方米，员工总人数达250余人，拥有各类精密模具加工设备18余台，日本及台湾产35-120吨精密塑胶射出机8台，日本及台湾产精密高速冲床11台，各类连接器塑胶模具250余套，精密五金端子模具180余套，实验室各种检测设备20余台，产品自动组装机180余台。可以为客户提供十余个种类1万多种各类规格的精密连接器产品。公司自成立以来就注重知识产权和自主创新，公司还着力打造自主品牌“ANTENK”目前已获得“广东省著名商标”。

产品主要有板对板连接器，线对板连接器，线对线连接器，I/O连接器，电池座，汽车连接器与OBD连接器，网络插座，以及各种端子机内线与电脑周边线等系列产品，本公司所生产的产品均符合欧盟ROHS及REACH环保要求，大部分产品通过安规UL认证，认证号:E472792，工厂并通过ISO9001及ISO14001管理体系认证，并于2021年通过IATF16949:2016汽车行业质量管理体系认证产品广泛应用于：液晶显示、数码相机、通信、通讯、工控、各种移动存储盘、数码家电、电子玩具，电脑、网络通讯设备、电机、空调器、洗衣机、音响、汽车、各类精密仪器、仪表等等。在国内，产品遍布深圳、上海、杭州、北京、南京、苏州、成都、西安等电子中心城市；在海外，产品遍及美国、韩国、德国、英国、意大利、印度、以色列、俄罗斯、伊朗、新西兰、东欧、东南亚、南美、香港及台湾等地区市场，并获得客户的信赖而享有良好的信誉。

安泰珂电子有限公司在现有基础上务求精益求精，希望透过各方面客户的指导和要求使开发和生产能力益加完善。

公司简介 COMPANY PROFILE

Antenk Electronics Co., Ltd., founded in 2004, is located in Shenzhen City, Guangdong Province, one of the most economically developed cities in China. It is a well-known professional manufacturer of electronic connectors and wiring harness integrating mold development, production and sales. The factory is a general taxpayer enterprise, which can issue 13% value-added tax. The factory has the right of self import and export, and more than 70% of the products are exported, The company has a professional and capable engineering technology and quality assurance team, high-speed precision presses, lathes from Taiwan and imported mold processing equipment and testing equipment. It has terminal stamping, mold design and manufacturing, connector assembly workshop, injection molding workshop, and a production base in Dongguan, with a total area of more than 10000 square meters and more than 250 employees, It has more than 18 sets of precision mold processing equipment, 8 sets of 35-120 tons precision plastic ejectors produced in Japan and Taiwan, 11 sets of precision high-speed punches produced in Japan and Taiwan, more than 250 sets of various connector plastic molds, more than 180 sets of precision hardware terminal molds, more than 20 sets of laboratory testing equipment, and more than 180 sets of automatic product assembly machines. We can provide more than ten kinds and more than 10000 kinds of precision connector products. Since its establishment, the company has paid attention to intellectual property rights and independent innovation. The company also strives to build its own brand "antenk". At present, it has won the "famous trademark of Guangdong Province".

The main products are board to board connector, line to board connector, line to line connector, I / O connector, battery holder, automobile connector and OBD connector, network socket, as well as various terminals, internal wires and computer peripheral wires and other series products. The products produced by our company all meet the environmental protection requirements of RoHS and reach of European Union. Most of the products have passed the safety regulation UL certification, certification number: e472792, The factory has passed ISO9001 and ISO14001 management system certification, and passed iatf16949:2016 automobile industry quality management system certification in 2021. The products are widely used in: liquid crystal display, digital camera, communication, communication, industrial control, all kinds of mobile storage disk, digital home appliances, electronic toys, computers, network communication equipment, motors, air conditioners, washing machines, audio, automobiles, etc All kinds of precision instruments and meters, etc. In China,

企业历程 Enterprise History

●History of Antenk Electronics Co., Ltd Found in 2004, at XiliShenzhenCity, Guangdong Province, China. 深圳市安泰珂电子2004年成立于中国深圳市西丽镇。

2007

2007年

1)June 2007, Move to New Plant Guanghui Industrial Area,Tandxiayong,Songgan g Town, Bao' an District, ShenzhenChina,and Established The Automatic Assembly and Production Line department, Found our own Production Line Since Then.

2008

2008年

2)Oct 2008, Set up High-Speed Hardware Stamping Workshop.

2009

2009年

3)Feb,2009, Starting Serving Like Flextronics, Foxconn, Simens Famous Customers From Now On

2010

2010年

4)June 2010, Set up Plastic Moulding Production Workshop.

2012

2012年

5)August 2012, Set up New Subsidiary Factory Site in Changantown of Dongguan city
6)Dec 2012, Obtained ISO9001:2015 Certification and ISO14001:2015 Certification.

企业历程 Enterprise History

2013

2013年

7) May 2013, Acquired "Antenk" Trade Mark Registration.
8) August 2013, Set Up High-Speed Metal Pin Stamping Workshop

2014

2014年

8) Oct 2014, Honored Guangdong "Excellent Private Technology Enterprise"

2015

2015年

9) Jan 2015, Main Parts: D-SUB Series Acquired UL and CUL certificate, With The NO. E472792

2015

2015年

10) Move to New production site: Shapu village, Songgang town, Bao'an district of Shenzhen, Expand the production space and invested to bought more automotive assembly machines!

2016-2018

2016-2018年

11) August, 2016, Main products like Pin header, Female Header, Box Header, Ejector Header, DIP Plug, IDC Socket Series Acquired UL and CUL Certificate, NO: E472792

12) Jan, 2018, Antenk was honored by "National High-Tech Enterprise" And Acquired More Than 15 Patents For Our Products Design.

文 化 与 荣 誉

Culture and Honor

企业文化

企业口号：一群人，一条心，一起拼，一定赢

Enterprise slogan: a group of people, one mind, work together, win

公司使命：连接世界，连接未来

Company mission: connect the world, connect the future

企业愿景：成为知名连接器第一品牌

Enterprise vision: to become the first famous connector brand

价值观：勤奋、感恩、诚信

Values: diligence, gratitude, integrity

企业精神 BUSINESS PHILOSOPHY

热爱事业和生活是我们一起奋斗的源动力。创新精神，敬业精神和团结精神是我们企业文化的精髓。每一位为公司作出贡献的员工将获得合理回报。

Love for business and life is the source of our struggle together. The spirit of innovation, dedication and unity are the essence of our corporate culture. Every employee who contributes to the company will receive reasonable returns.

客户 customer 我们坚持诚信为本，以优质的产品和周到的服务满足客户需求，并获得客户长期的信赖，共同发展，实现双赢。

We adhere to the integrity-based, high-quality products and considerate service to meet customer needs, and get the customer's long-term trust, common development, to achieve a win-win situation.

社会责任 social responsibility 我们会在企业发展的同时更多地回报社会，促进企业与社会共同进步。我们于承担社会责任，以公司的发展为社会做出贡献。

We will pay more attention to the society while the enterprise develops, and promote the common progress of the enterprise and society. We are responsible for the society and contribute to the development of the company.

公司资质 Company Qualification

公司自建立以来，十分注重自身素质的提高。近年来公司在市场准入以及资质认证方面都取得了突破性的进展，专利总数55项，发明专利12项。 Since the establishment of the company, we pay great attention to the improvement of its own quality. In recent years, the company has made breakthrough progress in market access and qualification certification.

企业荣誉 ENTERPRISE HONOR

实力见证荣耀，品质铸就辉煌。安泰珂在市场经济舞台上锐意进取，开拓创新，在务实求精中践行创新、创意、创享的价值理念，收获不绝于耳的赞扬声，斩获一项项令人瞩目的荣耀。先后荣获ISO 9001 质量管理体系认证，ISO 14001 质量管理体系认证，IATF 16949 汽车行业质量管理体系认证！

Strength witnesses glory, quality creates brilliance. On the stage of market economy, Antenk is determined to forge ahead, open up and innovate, practice the value concept of innovation, creativity and enjoyment in the process of pragmatic refinement, and reap endless praise and remarkable glory.

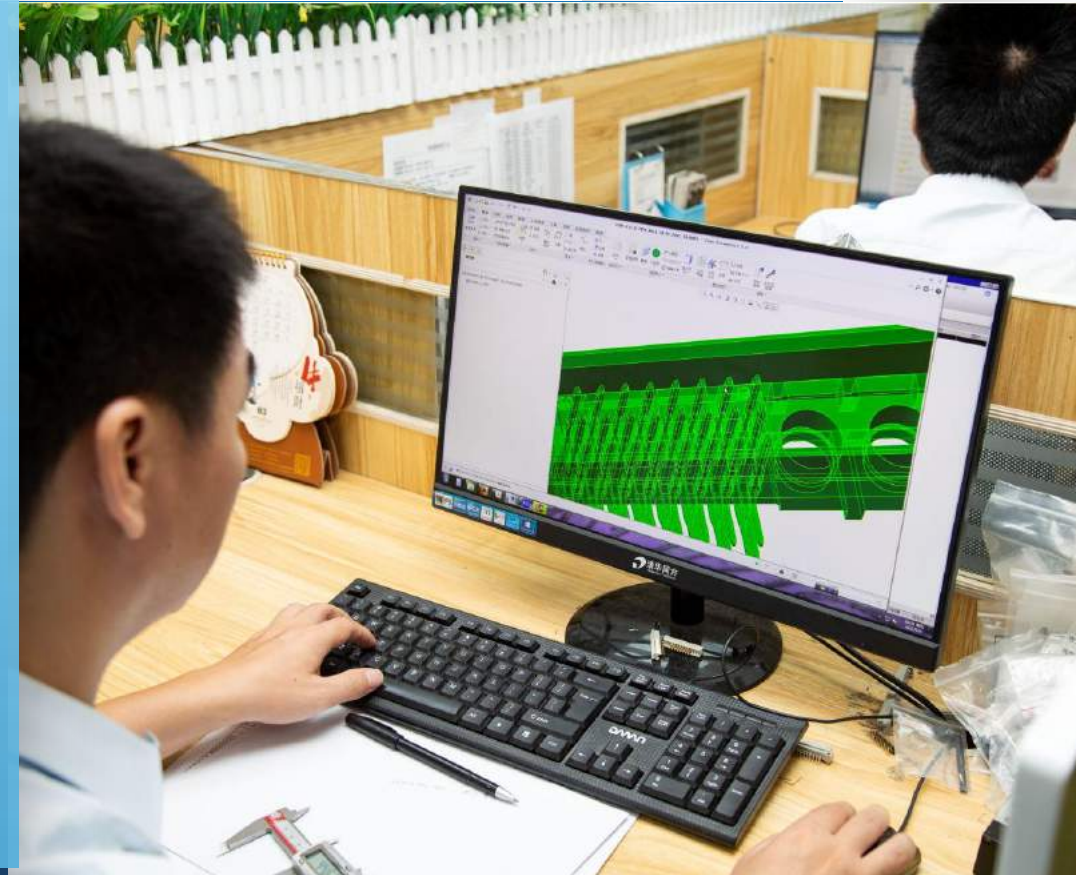

品质保证 Quality assurance

只有高品质、高效率、低成本的产品才是值得客户信赖的。安泰珂把生产管理系统，检测试验系统，质量控制系统等融合于所有产品生产过程中，广泛应用于先进的技术，生产和检验设备，真正做到高品质、高标准服务于国内外客户。

Only products with high quality, high efficiency and low cost are trustworthy to customers. Antenk integrates the production management system, testing system and quality control system into the production process of all products. It is widely used in advanced technology, production and inspection equipment, and truly achieves high quality and high standards to serve customers at home and abroad.
