STATEMENT ON CONFLICT MINERALS (EICC)

Dear Sirs,

Our products contain as component tin (Sn). The origin of the tin is from unaffected mines.

All other listed materials on the part of the EICC are generally not part of our products. Thus, all products supplied by HAHN comply with the EICC standard.

With this letter you will additionally receive the current CMRT Report (Rev. 6.1) (Conflict Mineral Reporting Template).

We hope that with this information, we have been able to answer all questions you may have regarding the use of conflict materials in HAHN products.

In any case of further questions about conflict materials, we are at your disposal.

With best regards
HAHN GmbH & Co. KG
